Costume Changes: If your child has a costume change please pack their costumes with shoes and accessories in a reusable container, garment bag, or Zip-lock bags **labeled with your dancer's name on it (It would be helpful for your child to have costume changes labeled in order)**. Please keep costume items separate from water bottles.

There will be volunteers backstage to assist dancers with costume changes.

End of show dancer pick-up: Pick-up location is accessed from the theatre's main lobby (**NOT** where you dropped off). Access the dressing rooms at the bottom of the north stairwell on the level below the ladies restrooms. Here you will find the *Greenroom* door please line-up here to pick up your child. We will let you through as soon as space allows.

All dancers must be signed out with the class volunteer. If possible, have the same person who signed them in also sign them out or let us know ahead of time who will be picking up your child.

* There is no pick up from the backstage door. Do not go out-side on Cambie street to access the backstage area after the show. You will be sent back to the front lobby. Having only one access point helps us to care for the safety of your children.
