All Dancers (with the exception of Tiny and My 1st dancers) will stay backstage for the duration of the performance and join the school on stage for a final bow at the end of the show. The performance will be approximately 2 hours and 45 minutes including the intermission.

If you do not know what class your child is in please refer to your online registration portal or ask your child's teacher ahead of ticket purchasing time.

Volunteers:

We are still in need of volunteers to watch Tiny and My1st Ballet dancers of the following classes during the first half of the show. As a volunteer you will watch your child perform from the wings and do not need to purchase a ticket to the performance unless you are entering the auditorium to watch the second half of the show, in which case your reduced ticket fee will be \$19.00. We will only be taking mums for this role. We will reserve the necessary seats for volunteers if you are attending alone or just with your Tiny/My 1st dancer.

Please email info@raincitydance.com to volunteer for:

Tiny Ballet: Saturday 10:00am

My 1st Ballet: Saturday 10:45am

Tiny Ballet: Sunday 1:00pm

Studio Dress rehearsal (May 27 to June 2):

The week before the recital students should come to their regular class dressed in their costume (costumes will be handed out by May 15). This studio "dress rehearsal" is so the teachers can check that the dancers have all the necessary supplies/accessories to be prepared for the performance. Hair and make-up should also be completed to show the teacher. For RAD ballet with 2 weekly classes the dress rehearsal day will be the later class in the week. Hair and make-up tutorials are found in attached email and on our website.

Studio Portraits by David Marasigan will be offered again so you can purchase some lovely keepsakes of your child in their costume. June 1 & 2 10:00-6:00pm. Book through the registration portal.

Theatre Run Through (June 9):

On the day of the show students will come to the theatre prior to showtime for a stage run through. Arrival times will stagger based on age category. Younger students will start earlier in the morning, leave, and return in the afternoon for the show. Older students will come for rehearsal and stay through until the end of the performance.

Details regarding Studio Dress rehearsals and further scheduling information regarding the theatre run through will be released in the first week of June.

Thank you, The Raincity Dance Team
